

IMMUNIZATION RECORD MEMO

To: Parents of children (preschool – grade 8) attending St. Paul’s Lutheran School

RE: IMMUNIZATION REMINDER

Below is a complete listing of minimum required immunizations by the Department of Health and Family Services for each grade level.

The student immunization law requires that all students through grade 12 meet a minimum number of required immunizations. These requirements can be waived only for health, religious, or personal conviction reasons. **FAILURE TO HAVE THE SHOT OR TO USE THE WAIVER WITHIN THE FIRST 30 DAYS OF SCHOOL COULD RESULT IN A STATE ISSUED FINE OF \$25 A DAY OR POSSIBLE EXCLUSION FROM SCHOOL.**

You may view your child’s immunization record from your computer on the Wisconsin Immunization Registry (WIR). The WIR is a secure computerized data system that tracks immunizations given to people. The internet address is <http://dhfsWIR.org>. To obtain the dates of your child’s immunizations, type in your child’s name, social security or Medicaid number. In order to access your child's record their social security number must be in the system. If it is not, contact your medical provider and ask that the number be put into the WIR so that you can access your child's immunization record. Address information about your child is not provided.
