VOLUNTEER INFORMATION SPECIAL NEEDS/CONSENT FORM 2016-2017

1201 Main Street, Onalaska, Wisconsin
608.783.4822

Dear Parents,

At St. Paul's we are very blessed to have a large number of parents, grandparents, and other friends of the school who volunteer to help in a variety of ways. This includes people who work with small groups of children with reading, math, other areas of need, or even advanced work for children who are working ahead.

The purpose of this letter is to inform you that occasionally, at the discretion of the classroom teacher, your child may be working with volunteers inside or outside of the classroom, and to get your consent to do so.

In addition to volunteers that work with individual teachers, St. Paul's has a special needs program which will be run by Betty Van Loon in the afternoons. Mrs. Van Loon, like the volunteers mentioned above, will often be working with groups of children at the teacher's direction, but she is also available for additional one-on-one teaching for students who are struggling. If you think your child would benefit from working with Mrs. Van Loon on a regular basis you may contact your child's teacher or Mrs. Van Loon.

Sincerely,

The Staff at St. Paul's Lutheran School

PLEASE LEAVE LOWER PORTION OF FORM ATTACHED.

I understand that, at the classroom teacher's discretion, my child may work with volunteers throughout the year on various activities and I give my permission for this to take place.
